The instructor(s) of this class chose to participate in an exciting program designed to help reduce the cost of textbooks. The required digital textbook for this class will be available to you by following a link in this course's D2L website (access to the course D2L website begins three days prior to the start of the semester). After this course begins, you will be instructed on how to access the digital textbook, after the course concludes, this digital book is yours to keep. Access to the materials is entirely covered by the service charge that is charged for the class, no additional purchase is necessary for the digital textbook. The service charge provides digital access to the textbook used in this course that would be almost double the cost if sold as a printed bundle. If you prefer, you may opt out of this program. The service charge will be refunded and your access to the materials will be disabled. Requests to opt out must be received no later than January 17, 2018. If you do chose to opt out, be sure that any alternative materials you purchase include all required course materials.
